I consciously will my fingers to loosen..In thirteen minutes the fire was all over. Colman stood on the gravel bank of the stream and watched as a bewildered major was led from the enemy bunker, followed by his numb staff, who joined the gaggle of disarmed defenders being herded together under the watchful eyes of smirking Third Platoon guards. The primary objective had been to take prisoners and obtain intelligence, and the crop had yielded two captains in addition to the major, a first and a second lieutenant, a chief warrant officer, a sergeant major, two sergeants, and over a dozen enlisted men. Moreover, the call-sign lists and maps had been seized intact, along with invaluable communications and weapons-control equipment. Not a bad haul at all, Colman reflected with satisfaction.. "Twenty-two. More than that, if you count limited editions and pamphlets and such." She went over.That hardly seemed fan' to me.
